

Rewarding healthy behaviors with annual prevention tests

The **MetLife Health Screening Benefit (HSB)**¹ provides you with a benefit for taking care of your health. This benefit is available with our **Accident**² and **Critical Illness plans**.

You and each of your covered dependents will receive **\$50** each calendar year for taking one of the covered screenings or tests. This benefit is in addition to any additional benefits you may qualify for under your coverage. **Even better, we recently enhanced our HSB to include more than 50 screening tests**³ including a routine health check-up, coronavirus testing, immunizations, hearing test as well as dental & vision exams.

How does it work?

For example, Susan goes for her annual **dental exam**. Afterwards, she contacts MetLife by calling the telephone number below or going online to submit her Health Screening Benefit claim. Susan will need to have available her dentist's name, phone number, treatment dates and details. Susan receives her benefit payment within 10 days or less⁴. **It's that easy!**

Filing a claim:

You can file your claim online via **MyBenefits** at www.metlife.com/mybenefits or by calling **MetLife at 1 800 GET-MET8 (1 800-438-6388)**. You can also file a claim using our MetLife Mobile App!

All you need to provide is a few details and you will receive your payment within a few days once your claim has been processed.
